Significant progress

Amalgamation of AH&M, Lutterworth and Snowdon moving ahead

by Jerry Grozelle

The three reeves of the south-western townships of Haliburton County left the amalgamation meeting last week feeling positive about the exercise. Although the meeting didn't draw the public attention of the previous meeting, they all agreed that considerable progress was made.

"It went very well," said Anson, Hindon and Minden Reeve Jeanne Anthon. "We tried to address the issues that were highlighted at the last meeting."

The reeves and council members from Anson, Hindon and Minden, Lutterworth and Snowdon talked about the ward system, agreeing that a separate ward for the Village of Minden was not necessary. The system would reduce the number of elected officials from the current 15 to 7.

Anthon pointed out that there are no defined boundaries for the village and if a separate ward for Minden were deemed necessary, the process of defining the boundaries would be necessary.

"It wouldn't be carved in stone," she pointed out. "Future councils could make changes. We want to keep everything straightforward."

It has been generally agreed that reserves from the current municipalities would remain within the corresponding wards of the new municipality. Under that scenario, reserves for such events as Minden's Canada Day and Timbersport Festival would remain for those purposes.

Staffing is a very important issue. The committee will get input from the clerk-treasurers of the three municipalities regarding staffing requirements for the new single municipality.

HHSS honours the best and the brightest

It was a day to honour Haliburton Highlands Secondary School's top students. Parents, teachers and relatives gathered at the gymnasium Saturday to witness the annual Honours and Awards Ceremony. In addition to plaques and certificates, some \$25,000 in cash awards, bursaries and scholarships was distributed to students at all grade levels to mark their achievements.

For a complete list of award recipients and more pictures from the ceremony, please turn to our special honours section beginning on page 24.

LETTERS: Recipients of HHSS school letters included from the left, Amanda McClenaghan, John Craig and Allison Kennedy.

Study confirms impact of college

by Ariel White

Sir Sandford Fleming College officials consider the school to be a "major economic force" in Haliburton County. That is one of the key findings of an economic impact study released recently. The creation of jobs through the college, the Job Connect program and the economic spin offs related to the Haliburton School of Fine Arts is huge, according to SSFC President Brian Desbiens.

The economic impact study was reviewed by the Board of Governors at its meeting held at the Haliburton

campus October 6. The study, conducted by Dr. Thomas Phillips, of the college, reports that the School of Fine Arts and its students added nearly \$1.5 million to the local economy.

Although the majority of classes are offered only during summer months, their presence brings in some 2300 student weeks. College expenditures amount to some \$300,000 for the School of Fine Arts as well as an annual job equivalent of nearly 100 full time seasonal jobs. There were about 250 students enrolled in the 1998-99 year in courses during the remainder of the year.

"This is a huge amount," said President of SSFC, Brian Desbiens, who has also attended the School of Fine Arts in the summer months. "That is a fairly large number of jobs for such a small community."

The Haliburton campus employs 12 full time staff and three part time, to help run the facility. The college also employs a large number of instructors.

The study also notes that the Job Connect program, run through Sir Sandford Fleming College, has generated great financial incentives to employers in the area, and in turn gener-

Ontario's youth
Rising to the Challenge

Nominations are now being accepted for the 1999 Awards Program

There are young people in our community who have risen to the challenge. If you know a young person, aged 6 to 18, who is involved in worthwhile community service; a special person who is contributing while living with a limitation; a youth who has performed an act of heroism; or a 'good kid' who shows a commitment to making life better for others, doing more than is normally expected of someone their age — help us recognize their contribution — nominate them today!

Nominations will be accepted until October 31, 1999. Contact this newspaper or the OCNA at 905-639-8720, Loc. 230.

Stanhope and Sherborne meet this Wednesday

The amalgamation process in the northwest is moving ahead again.

The municipalities of Stanhope and Sherborne et al have agreed to meet this Wednesday to determine if there is enough common interest to proceed with the amalgamation process. The two council have invited County CAO Les Shepherd to facilitate the meeting. Shepherd has been chairing the meetings between municipalities of AH&M, Snowdon and Lutterworth, in which many areas of agreement have been found.

Talks between Stanhope and Sherborne began earlier this year. However they were called off when little progress was realized. The discussions were further compromised earlier this year when a vacancy occurred on the Sherborne council after deputy Reeve Ellen Wiley resigned. Councillor Gary Sanderson moved into the deputy reeve position and it wasn't until late last month that the vacant council position was filled.

Brian Lynch was appointed to the

Strike vote supported by elementary teachers

Elementary school teachers in the Trillium Lakelands district have overwhelmingly voted in favour of a strike mandate if negotiations between them and the school board are not resolved. The vote, held over three meetings in the district in late September, resulted in a 93.9 per cent tally of support for strike action.

This vote of approval means that teachers in the Trillium Lakelands district support the Elementary Teachers' Federation of Ontario provincial take over team in a strike mandate. The team has been negotiating for the local teachers, as the Trillium Lakelands district is the last in the province to have a

collective agreement with its school board. The federation members have been without a collective agreement since August of 1998.

At this time, no strike date has been set. The teachers would be in a legal strike position, if talks were to completely break down and either the board or teachers called for a no board report.

Further negotiations have been scheduled, through a conciliator, for October 28 and 29, in Lindsay. "I hope we have successful negotiations at this point," said John McClelland, president of the Trillium Lakelands Elementary Teachers' Federation.

No job loss predicted in southwest townships amalgamation process

(from page one)

said he is confident that no jobs will be lost.

"I strongly believe that everybody will have a job," McMahon said. "They may not be doing exactly the same jobs as they are now. It will be a challenge and it's going to be exciting."

The clerk-treasurers will attend the next meeting with recommendations on how the revised municipality structure should be staffed. There may be a shift in responsibilities.

"Nobody has a better knowledge of the day-to-day operation of the municipalities than the staff," McMahon said. "We may even have to hire a few new people."

He is confident that they can work out the details and only if they are unable to resolve issues between them will an independent arbitrator have to be brought in.

"Everything moved very smoothly," said Snowdon Reeve Ross Rigney. "We agreed on all points."

Rigney said a draft proposal would be ready for the next meeting. Once the municipalities have endorsed the amalgamation agreement, it will go to the

county before being submitted to the Ministry of Municipal Affairs.

Rigney said the process has been a long one that has only recently made any significant progress.

"Now we're not letting anything get in the way," he said. "The feeling between the three municipalities is very good."

Anthon said the committee is still aiming for the end of November to submit its application to the ministry. She said the committee is "moving in a very credible and responsible manner."

She agreed that staffing levels will remain at the current levels.

"We're not looking at any reduction of staff, although there may be a few who will decide to take the package and retire," she said.

One step that will have to be taken soon, Anthon said, is to activate a transition board, which will oversee the transformation of the three municipalities into one.

McMahon summed up his feelings about the progress of the latest amalgamation committee meeting saying, "We're quite a bit closer to reality than we've ever been."

College courses and services have major impact on county

(from page one)

ated a considerable amount of income in Haliburton County. The Job Connect program offers subsidies to employers and career information and placement for employees, as well as a multitude of other services. According to the Phillips study, Job Connect has paid out \$223,194.78 in subsidies in the Haliburton area. From these subsidies, wages to employees associated with Job Connect amounted to \$507,696.03 and 74,116 hours of work in Haliburton County. "There's a whole other social impact, by virtue of the college presence," said Brian Desbiens.

Desbiens noted that these figures, for Haliburton and the other three campuses of SSFC, were of vital importance. The amount of money generated in each location demonstrates that investments in education are also investments in the community and the local economy.

Haliburton presence on board

The board of governors accepted the nomination of Haliburton County resident Wendy Ladurantaye to the position of support staff observer with the board. Ladurantaye, an employee at the Haliburton campus, will fill the position until August 31, 2000. "Wendy is a terrific person and will be a great asset," said Desbiens, who has taken her stained glass course at the School of Fine Arts. It was noted that her experience with municipal council and the school board would be of benefit to the board.

Review of activities at Sisco Centre

Barb Bolin, Haliburton campus leader, made a presentation to the board of governors, updating the members on the various activities available at the facility.

Bolin reported that the School of Fine Arts had 3046 students enrolled this year. "We take over the town in the summer," said Bolin. "Of course we will always have the issue of space,"

she noted, as facilities are known to be cramped.

One of the highlights Bolin noted was the new Expressive Arts program, which was quite popular. "We had a very good response and we're looking at a more intensive option next year," she said.

The Ecotourism Management program reported solid attendance and has been complemented by the new Adventure Tourism program, which shares a common first semester. The school's enrolment was higher than usual, due to the number of students in the Haliburton Highland Learning Centre, a joint venture between the college and the Trillium Lakelands District School Board to facilitate adult education programs.

Several other programs were reviewed, including the Arts certificate which includes a black smithing course, working in stone and a drawing and painting component.

The Job Connect program has also been successful, with 5,344 people participating in the employment programs available. It was noted that the location is a good information resource, as it is shared with federal programs through Human Resources Development Canada.

"I think that the community is appreciative of the services the college offers and is supportive and interested in seeing the college expand," said Bolin, although she noted that the small size was also an advantage. "This is a wonderful place in terms of customer service."

Church & Family Go Together

Then one day, desperate and broken, I cried out: "Jesus! Jesus!" I called his name. "Please come into my life and forgive me my sins." And he heard me! It was as though he reached down and took me to himself. That day I experienced the truth of Romans 10:13: "Whoever calls upon the name of the Lord shall be saved."

Repent to Jesus, today!

Searching for outstanding junior citizens

Each year the Ontario Community Newspaper Association, of which this publication is a member, pays tribute to the young people of this province. The Ontario Junior Citizen of the Year Awards Program recognizes the good deeds of the youth of our province, acts that often go unnoticed.

In co-operation with Tembec Inc. and Spruce Falls Inc., community newspapers across the province ask their readers to nominate a young person who, in their estimation, is an outstanding member of their community and the province. Several years ago, Minden area resident Tim Heming was one of the recipients of the award. The program selects a number of individuals and one group

of young people to receive the award.

The Ontario Junior Citizen of the Year Award is given in recognition of a young person between the ages of six and 18 who has risen to the challenge. These are individuals who have overcome a handicap, who have motivated their community, performed selfless community service or an act of heroism. The award in the past has been presented to young people who, despite their youth, have provided leadership and inspiration for an important community cause. Also honoured were youngsters, caring individuals who have made a difference in someone's life.

Most of us know some young person who has made our community a better place in which to live... a young person who goes out of his or her way to make someone else's life richer and more meaningful.

The deadline for submissions for this year's awards is October 31. (The awards are presented in the spring.) If you know of a deserving young person in our community who merits consideration for this award, please stop by The Times office and pick up a nomination form. Let's ensure that the good deeds of our young people do not go by unnoticed.

Parents still feeling unwelcome at ASES

Editor:

I feel that I must advise you that although I was referred to as the "Parent Spokesperson" in your recent article about the new policy at Archie Stouffer Elementary School, I have not actually ever been "assigned" that title. I am simply a parent of a grade two student with some real concerns about the new legislation that is being enforced at our public school, and have felt a need to voice my opinions. And they are just that, my opinions. I am not speaking with the authority of any other parents or individuals.

I must inform you that I have, before and since the meeting, been speaking to parents regarding the present situation, and I am indeed not alone in my concern. It would seem that we have not been told the entire truth surrounding the activation of the present policy, and indeed some parents have still been receiving a less than welcome reception from some of the teachers, and the principal, although we were led to believe that our presence as parent-volun-

teers was still wanted, needed, even anticipated. There have even been threats of charges of trespassing to parents who do continue to enter the school. Parents have been accused of inappropriate behavior for talking to their own children in the hallway when in the school as a parent volunteer in another classroom. Parents who have until now been an asset in the school system here as volunteer helpers are now refusing to enter the school in this capacity because of the treatment from some of the teachers.

I know from first hand experience how useful an extra pair of hands, extra set of eyes, and a sympathetic adult with whom to talk to, can be. Now I am seeing dissatisfied parents, unhappy children and an overall unwelcome and uninviting atmosphere in a school that I was once proud to say I had attended (albeit a number of years ago). I had told my sister-in-law, who moved to the area recently, what a wonderful school this was. "Was" is the operative word here. I am disappointed to think that the "spirit" in this

elementary school has reached an all time low.

As a taxpayer, I think it is time that those "in charge" of our school be reminded from where their pay cheque comes. It would seem to me that being "in charge", has gone to someone's head and to extremes. In conversation with a friend (and former principal), joking over the size of a desk, and the power it wields in one's mind, ie. the bigger the desk, the bigger the power, I think it is about time that Rosie Kenney had her desk chopped down to size. This is still a democracy, as far as I know, and although a principal is supposed to have the last say on any policy implemented in a school, I think it's about time this principal listened to the general public (parents) and came down off her high horse, making some compromises and concessions on the present policy with the parents. History has shown us what too much power in the hands of one person can do!

Some thoughts for pet owners

Editor:

I am writing to urge pet owners to have their animals spayed or neutered. Aside from the medical benefits, it is essential in controlling the large number of unwanted animals in our community.

Has anyone thought about whatever happened to that puppy left in the

supermarket parking lot, or the hound that no one claimed after hunting season? How about the mutt hanging around town, or the kittens born under your neighbour's cottage last year? These poor creatures are victims of circumstance. Does anyone ever wonder what becomes of them?

It is one thing to shake your head

and think, "how terrible". It is quite another, I assure you, to cradle these scared and lonely animals in your arms, urging them to be good and holding them still for the needle to end it all.

The bottom line is simple: If you are not responsible enough to care for a pet, don't get one.

"It was just something funny that I had in my mind" says Beahm.

Funnier than he knew. When the blood dried and the tattoo was visible, the legend beneath the knife read, in letters a quarter of an inch high:

Meanwhile, Joe Beahm is keeping his shirt on.

Spelling turned out to be fairly critical in the streets of Hartford, Connecticut last week as well. Literally 'in the streets'. You know those road-painting contractors who get to stencil white lines, arrows and traffic directions on city streets — signs like NO LEFT TURN or QUIET, HOSPITAL ZONE?

Well, there's one road painting contractor in West Hartford who might be looking for a new line of work. He's the guy responsible for spray painting, all over town, in three-foot-high letters:

SLOW DOWN
SCHOOL ZONE

Maybe I'm wrong — maybe the city will give him his road-painting job back — providing he signs up for a remedial spelling course at night school.

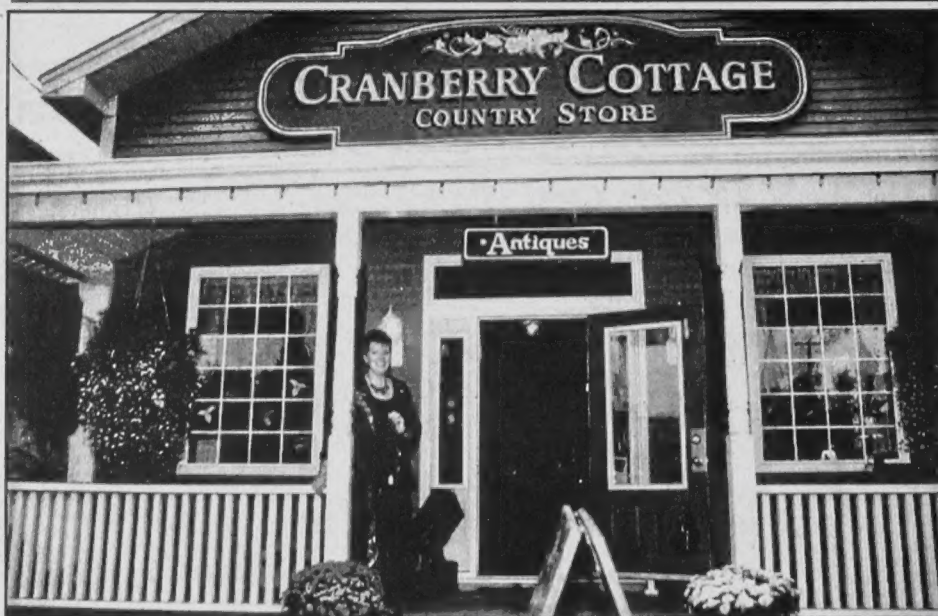

The late comedian Peter Sellers had a low tolerance for bad spellers. When he received a request for "a signed, autographed photograph" Sellers gleefully hauled out a cigarette lighter, burned the edges of an 8 by 10 glossy of himself and popped it in the mail.

Two weeks later, he got another letter from the fan thanking him for the photograph, but wondering if he could trouble him for another, as "the one you sent is signed all around the edge."

Then there's the story of the professor correcting an essay by a student who wrote about his holiday in Venezuela. The student kept writing the word 'burrow' instead of 'burro'.

The professor corrected it once. Twice. Three times. Finally, exasperation, he wrote in the margin.

"My dear sir: it is quite apparent that you do not know your ass from a hole in the ground."

Nominated

The Canadian Gift and Tableware Association believes the Cranberry Cottage in Haliburton is pretty special. The Maple Street store has been nominated as a contender for the Retailer of the Year honours. The nomination is made by sales representatives who make their choice based on a number of factors including store layout and design, community involvement and customer service. Owner Ruth de Jong, seen here on the front porch of the store, has been an active member of the community, sponsoring a curling bonspiel, raising money for the Health Services Foundation and participating in community activities. If the Cranberry Cottage is selected Retailer of the Year, the award will be presented at a ceremony in Toronto. The results of the final competition will be announced November 15.

Lake trout egg collection vital to preservation of Haliburton strain

by Jerry Grozelle

A cold wind blew across Halls Lake last Thursday night as a small group ventured out onto the lake in quest of "Haliburton Gold." The term is used to describe the eggs from the Haliburton strain of lake trout.

Fisheries extension biologist David Flowers and technician Scott Bird of the Minden Ministry of Natural Resources office were joined by high school students Stephanie Sternberg and Logan Roberts and several volunteers from the Haliburton Highlands Outdoors Association for the first egg collection foray of the season.

The goal is to collect 10,000 eggs which will be reared at the HHOA Hatchery for restocking in Haliburton County Lakes.

Volunteers have been keeping the spawning beds in Halls Lake under observation for signs of spawning activity. Two nights earlier, an estimated 100 fish were observed, prompting the

egg collection group into action.

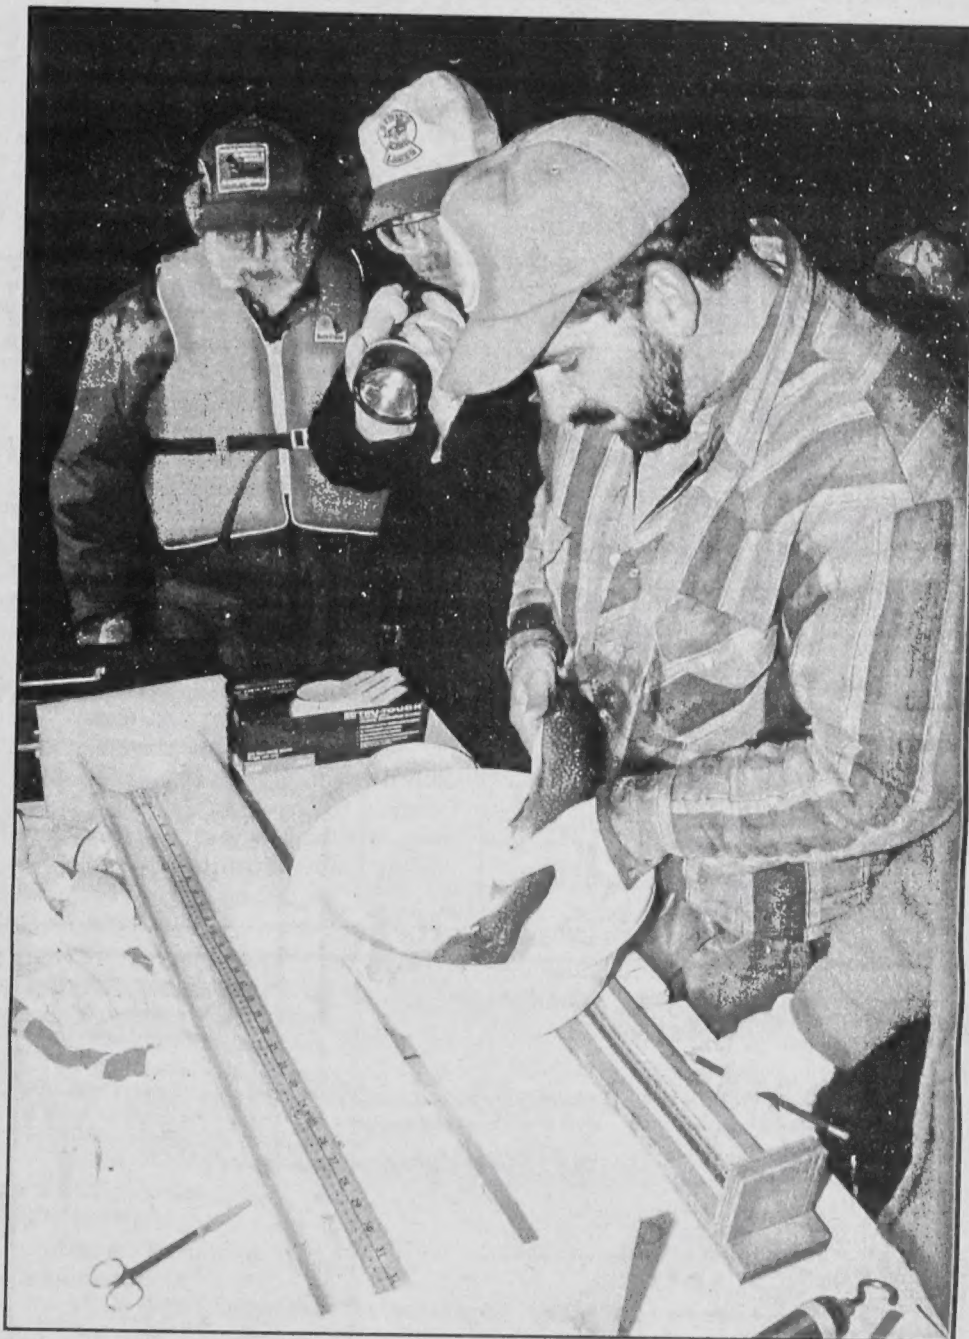

Of the two dozen fish that were trapped, only five were females and of those, three were ripe. One had already deposited her eggs, but the other two yielded about 2,500 eggs.

The group set the trap nets at about 8 p.m. and it was after three a.m. when the last of the group left the hatchery after stabilizing the eggs and getting them ready for their new environment.

Flowers commended the two high

Curling club open house this week

by Sandy Cole

Well, it's time to get your curling stuff out of the closet and gear up for another season of fun at the Minden Curling Club. If you find that your curling stuff is not up to snuff, or you know that your old broom was the only thing holding you back from being the curler of the year, maybe you would like to check out the new equipment displayed at the club. For **one day only**, Wednesday, October 13, from 10 a.m. to 4 p.m., there will be a representative at the curling club with curling supplies for sale. So get your new things and

show off your talent this year. Open house and instruction is from 10 a.m. to 4 p.m., Tuesday, October 12 to Friday, October 15. This is the time for you to come out and limber up, get in shape, or try out curling for the very first time. There will be a "feather stick" (curl with out bending or getting down on your knee) demonstration at 11 a.m. Tuesday, October 12. New curler instruction will be each afternoon at 1 p.m. For those of us who can not make it during the day, the club's ice surface will be available Saturday evening from 7-9 p.m. and Sunday 2 to 4 p.m. Come out and take advantage of these times. Try out the ice and get ready for

the season ahead. If you missed the registration and would like to curl in the regular club in the first schedule you may be able to get on a team if you call before Thursday night. Just call the club and leave a message at 286-3311. Don't spend another winter stuck in the house; come and join us; meet new friends and have loads of fun.

The regular club's first schedule starts the evening of Monday, October 18.

Junior curling will be starting in mid November and sign up is still available for ages nine and up, by calling Zelda Cooper at 286-2615.

Coaches pleased with improvements in Seniors and Juniors

HHSS soccer teams make up in enthusiasm and drive what they lack in experience

by Jerry Grozelle

They are not bound for the playoffs this year, but the coaches of both the Senior and Junior Red Hawks boys' soccer teams are pleased with the progress of their respective teams.

Senior Red Hawks coach Peter Bertelsen pointed out that 14 of the 20 players on his team are grade 11 students, or first-year seniors.

"Youth and Inexperience" are terms he used to describe the majority of his team. But what they lack in experience, the Hal High boys make up for in enthusiasm and eagerness to learn. That has been evident in the progress the players have made in the first five games of the season. They started the season with a 5-1 loss to the LCVI Spartans. This past Thursday, the Red Hawks had their best game of the season against the same Spartans, battling to a 2-2 tie.

One bright spot in the HHSS offense is exchange student Momme Juergensen from Germany. He has scored five of the Red Hawks' seven goals, including both of the HHSS goals in Thursday's tie. Jordan Osinchuk and Chris Nimigon added a goal each to Haliburton's season tally.

After the first game, the Red Hawks lost 4-2 to the I.E. Weldon Wildcats and 5-0 to the Fenelon Falls Secondary School Falcons. They bowed to the Wildcats by an identical 4-2 score in the fourth game of the season.

The game against the Falcons saw Red Hawk goalkeeper BJ Fowler get run over by the Fenelon offense. He suffered a hairline fracture in his arm in the process.

Osinchuk has taken over the goaltending duties. Eager to keep in the game, but unable to play in goal, Fowler (with his doctor's permission) helped the Red Hawk team by playing out for a few minutes during

the last game. Bertelsen said he expects Fowler will see some time on the pitch again this week, when the Red Hawks play host to the Falcons. Game time for the seniors is 3:45 p.m.

"They have been improving with every game," Bertelsen said of his players.

Bertelsen said the summer youth soccer programs at Stanhope and Haliburton are beginning to have an impact on the quality of the players coming into the high school leagues.

"You can definitely see the difference," he said.

Juniors

The Junior Red Hawk soccer team is in much the same boat as the senior team. They, too, are developing well as the season progresses.

"The boys are playing really well," said coach Paul Klose.

Klose said his team is also improving with every game, although the junior boys are still looking for their first win.

"We played our best game of the season Thursday," Klose said.

The Red Hawks lost that game by a 3-1 margin to the Spartans.

Andre Nichol provided the highlight of the season for the Juniors in that game, scoring the Red Hawks' first goal in five games.

Klose singled out two players who have shown strong play this season -- Andrew Mansfield and Eugene DeCarlo. Both are grade 10 students, but this is Mansfield's first year on the soccer team. Klose also commended goalkeeper Shea Horning for playing well this season.

"It's a whirlwind season," Klose said. "The first thing you know it's over."

"I'm happy with the way the boys are playing."

He is optimistic for the future of the team.

"Things are shaping up," he said. "Next season looks promising."

The Junior Red Hawks play host to the Falcons starting at 2:30 p.m. this Wednesday, October 13.

Volunteer assistance makes project possible

(from page 9)

school students for their participation.

"They really helped out," he said. "They are committed, keen, enthusiastic young helpers from Dave Mowat's class."

Flowers added that he's sure some of the HHOA volunteers really appreciated having the young hands to help out.

More than two dozen fish were caught during the night's activities. They were weighed and measured and returned to the lake. Tissue samples were taken from some of the fish for future DNA work.

Flowers said the spawning run was not at its peak. He anticipates another week and a half of a window for the group to collect the 10,000 eggs. He noted that Halls lake was chosen because it has a very healthy lake trout population.

"We are going to limit the egg take to only what is needed," he said. "The amount of eggs we collect is not going to hurt the population in Halls Lake."

Some of the eggs will be taken to the Codrington research station to establish a brood stock population. That will reduce the requirement to extract eggs from the local populations.

Kingscote Lake in Algonquin Park has also been targeted for collection of Haliburton strain lake trout eggs. The Kingscote fish are identical to those in Halls Lake, except that they are more of a silver colour, Flowers said.

"We will also move to other lakes in the future," Flowers said.

All of the fish trapped last Thursday night were in the two to two and a half pound range, putting them within the slot range. Consequently, they were protected fish during the open season.

Flowers said he is very pleased that the high school students are involved in the project. A total of six students from Dave Mowat's class are scheduled to help out with the egg collections over the next week.

Flowers said the egg collection is a vital part of the project to preserve and enhance the Haliburton strain lake trout fishery.

Searches nets \$20,000 in stolen property

The following report was issued by the Haliburton Highlands Detachment of the Ontario Provincial Police.

Three men have been arrested after OPP seized over \$20,000 worth of stolen goods in both Haliburton County and the Regional Municipality of Muskoka.

During the early hours of the morning on October 8, members of the Ontario Provincial Police Central Region Street Crime Unit, the Muskoka Break and Enter Unit, as well as the Haliburton Highlands detachment, executed two warrants at two residences in the Village of Minden.

As a result of the investigation, three men were arrested and charged with possession of stolen property, possession of weapons, and breach of probation. Further charges may be pending.

As a result of the arrests, property valued at over \$20,000, stolen from both Haliburton and Muskoka, was recovered. Most of the items consisted of electronic equipment and household items.

The investigation is currently ongoing, and names and a list of charges will be available at a later date.

Break, enter and thefts

On September 30, OPP investigated the theft of a 12 gauge Ithica shotgun from a vehicle which was parked in a residential driveway. The residence is located on Burkes Road in Haliburton.

On October 2, police investigated the theft of a 9.9 horsepower motor and an aluminum boat from a cottage on Hamilton Road in Minden Township.

On October 4, OPP were called to a break-in at the

Ontario Hydro office on Highway 35 in Minden. The fence had been cut and a bucket stolen from a backhoe.

Warrant for stolen property

Two people were charged after a search warrant was executed on a cottage in Stanhope Township.

Officers from the Haliburton Highlands Detachment and members of the Street Crime Unit seized numerous stolen items from the cottage, located on

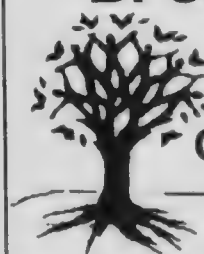

Concession 11 in Stanhope.

As a result, Steven Roe, 45, and his wife, Brenda Dennie-Roe, 42, both of Scarborough, were charged with possession of stolen property. Both will appear in Minden court on November 3.

Get On Board

The new Board of Directors for the Haliburton Highlands Trails and Tours Network got on with business at its inaugural meeting on September 22. Much of the meeting was spent getting acquainted and informing the Directors about the progress that has been made to date by HHTTN. The formation of the Board is a critical turning point. The Board broadens the base of support for the Network and will help it realize its full potential and meet community expectations. The Board will help insure returns on

the investments made to date by taxpayers – the 1995 Haliburton County Trails and Tours Network Strategy and recent grants from federal, provincial, and municipal sources. The Board meetings are open to anyone to observe or to make proposals. The next meeting is scheduled for Thursday, October 14 at 7 p.m. at the MNR office in Minden.

Look for our new membership brochure. As a member you will receive a quarterly newsletter, discounts on T-shirts, maps and other future products and events, and a vote at the annual general meeting. There will be opportunities to participate in projects and work with like-minded trails and tours enthusiasts. Organizational and business memberships will soon be available. Donations are always welcome.

A New Path

Jan Warfield, our Trails and Tours Co-ordinator, has taken a few days off to hike the bridal path. She is getting married to Scott Thomas who works as the Assistant Superintendent at Massasauga Provincial Park. Congratulations Jan and Scott!

BOARD TOUR: Site foreman Bruce Steinberg gave members of the Haliburton Highlands Health Services Board, the Foundation Board and other invited guests a look inside the the new health care construction this past week. The board members toured the Hyland Crest site on Wednesday and the Haliburton long-term care site on Thursday. This was the first chance the board members had to see inside the new addition since the walls went up this summer. They were told that work in Minden is a little more than 50% complete with the work in Haliburton about 70% done. With both structures closed in, the contractors can now concentrate on finishing the interiors. The long-term care wing in Minden is expected to be ready for occupancy early in the new year. Once the residents are moved in, renovation of the remaining Hyland Crest wing for the hospital and health centre will begin. In Haliburton, the hospital will move into the long-term care area when it is ready. The move is temporary, to allow renovations to be completed in the existing hospital. Once they are completed the 13 bed acute care portion will be opened and residents will be welcomed to the new 30 bed long-term care facility.

Days with Frost	3	

The first half of the month was sunny, warm and at times humid. The last half was cooler and about average temperature.

The first heavy frost occurred September 22. Not many flowers survived after that.

The average temperature of the month was 15.3 C (59.5 F). The average for last September was 14.7 C (58.4 F). Less than a degree difference.

Rainfall was considerably higher this September. All in all a very pleasant month. We even missed Hurricane Floyd. In this county, one cloudy day was the only by product of this storm. Lucky!

Sherborne is ready to talk

post on September 28. He is a former seasonal resident, with an extensive accounting background, who is building a permanent home on Hardwood Lake.

Sherborne Reeve Don Shortreed is looking forward to the joint meeting. "We are going into this meeting with more information than before," he commented. He expected the meeting to explore the various areas of agreement and address those that may need additional study. Shortreed noted that the meeting has been called with the agreement of both councils.

Stanhope Reeve Eleanor Harrison is optimistic about what the meeting will produce. She said the meeting will build a foundation on for future plans.

Harrison acknowledged the fact that the municipalities have been slow to come to the table may impede the progress. She also pointed out that with Les Shepherd serving as facilitator, the talks in the south west section of the county moved ahead well and she hoped the same would happen for her

region.

"I hope we are able to catch up in the process. The Stanhope council is on board for amalgamation and will be attending the meeting with a positive attitude," the reeve said. "We see this as a good step."

However she also cautioned that amalgamation is not something that can happen over

night. "When it comes to amalgamation, I take it one day at a time," Harrison said.

The public is invited to observe the meeting, but there will be no opportunity for the public to speak. The discussion at this stage will be left to the members of the two councils. The meeting will be held at the Stanhope municipal chambers, Wednesday, October 13, starting at 7 p.m.

Martin Lumber property on the block again

The Martin Mill property near Harcourt is up for sale again.

The property, known as Algonquin South Gate Resort, is being offered for sale by auction by its current owner, a numbered (374997 Alberta Ltd.) company.

The company was forced to put the property on the market after it was unable to raise the capital to develop a multi-faceted resort complex. "Negotiations with a third party investor had been virtually finalized when, at the last minute, the company concerned was unable to complete the transaction," a press release issued last week stated.

Paul Switzer, a spokesman for Gordon's, the real estate auction firm handling the sale, said the auction will take place over two days, starting December 7. The first day bidders will "qualify", with the top four bidders being included in the next round the second day. Bidding will be by fax.

The property is being sold in four parcels, although bidders will be allowed to combine bids. Included in the sale will be: the 25,000 square foot office structure and 40 acres of property on Elephant Lake Road; 474 acres of land on the opposite side of the road; 179 acres of land with a 4000 foot airplane runway and a 5000 square foot hangar; and 11 acres of property on Benoir Lake, which includes a cottage and 1000 feet of waterfront.

"It is hoped the auction will attract bidders from far and near," the press release stated, "and that the final outcome will be the speedy development of the properties in a way that will be of benefit to the north Hastings and east Haliburton communities." Auctioneer, Paul Switzer, can be reached at 1-800-694-2609.

Members of the YWCA and St. George's Anglican Church in Haliburton gathered outside the church as Bishop Douglas Blackwell presented a cheque for \$30,000 to Lynn Zimmer. The money will help fund a shelter for women and children in the Highlands.

\$30,000 for shelter

When Women's Emergency House closed in 1998, few people believed that Haliburton would ever see another shelter for abused women and children. Now thanks to a lot of faith and generosity, emergency housing may once again be available locally.

The Community Ministries Board, of the Anglican Diocese of Toronto, has recently made a \$30,000 donation to the YWCA of Peterborough, Victoria and Haliburton, for the development of a new model for providing emergency shelter services in the area.

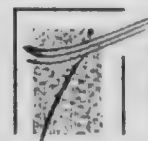

"We realize we can't build our dream on a government grant," said Lynn Zimmer, executive director of the YWCA at a celebration lunch at St. George's Anglican Church in Haliburton.

The YWCA, along with the Women's Emergency House Focus Group, have been trying to develop a solution that would allow the community to have some type of emergency housing, that could be funded locally. The YWCA has been holding funds raised

through the focus group, and will use this money, along with the donation from the Community Ministries Board to work on the development of the project, at the YWCA site in Haliburton. The Haliburton Emergency Rural Shelter (HERS), will be smaller scale than the Women's Emergency House, but is hoped to be more efficient, as it will be combined with the YWCA's existing services.

Ann Keating, the director of the Community Ministries Board thanked the YWCA for their grant, as well as the local church members for their dedication to the project. "There are thousands of Anglican men and women behind you," said Keating, who was interested in watching the project progress.

On hand to deliver the \$15,000 remainder of the donation was the Right Reverend Douglas Blackwell, Bishop of Trent-Durham, the Episcopal Area Council, and Reverend Christopher Greaves of St. George's Anglican church in Haliburton.

IN LOVING MEMORY OF TIMMY: Rose Marie Jung, left, of SIRCH, gratefully accepted a cheque and a hug for \$700, from Sally Moore, administrator of the Tim Heming Bursary Fund. The fund raises money, from a variety of sources, to help disabled children. The fund was established in memory of Tim Heming, a Minden area youth who showed exceptional perseverance and character, despite the fact he suffered from spina bifida. This year the funding went to the SIRCH Summer Time Special Needs Program. The program gives children who need special attention a chance to benefit from one to one assistance with a worker during the summer months. This year the program helped 15 children. Another generous donation came from Minden Legion.

A HEFTY DONATION: Minden Lion Brian Moore has made a sizeable commitment to both the health of the Highlands and himself. In the process he hopes to raise money for the Haliburton Highlands Health Services Foundation. Moore has vowed to lose weight, by the end of April of 2000, and is taking pledges for every pound he sheds. His progress is being monitored by the local Weight Watchers program. If he doesn't lose 30 pounds he will shave his head. The Lions Club has also pledged that if he loses 40 pounds, it will also make a donation to another favourite charity, Sleeping Children Around the World. Moore has already raised over \$2000 in pledges. Although the Lions paid the Weight Watchers registration, the Minden chapter donated the money to Moore's cause. Here group leader Wendy Bartlett hands over the donation.

Business Profile

Keeping pace in the rapidly changing cyber space

Nowhere is change happening more rapidly than in the world of the Internet.

There is one local company which is staying in step with those changes, Halhinet.

The county's oldest Internet Service Provider has now combined forces with the Canada wide franchise power of Interhop to provide Highlands Internet users with the latest in web resources, service and innovation. When you deal with Halhinet, you get all this and more from a company with a presence in our community, a company where they care about you and your internet needs, where helpful, friendly people are available to answer your questions, provide direction and, through their affiliation with Systems Software and Support, keep your hardware running and you on line.

Staying abreast of the ever-changing world of the internet is a challenge. But Halhinet is there for you every day, adding new features and services. The newest addition to the local dial-up service is the installation of a T-1 line from its Haliburton office. It will more than quadruple the current capacity. That means faster internet communications.... no more lengthy waits for downloads, no more clogged lines at "prime time", better performance and greater reliability. As well, in the near future, Halhinet will be introducing wireless internet services.

Halhinet also offers the county's only Cyber Cafe. Drop in at their location on York Street, in the lower level of the

Stedman's Mall in Haliburton. It is a great place to relax with a cup of coffee, surf the web, check your email or just catch up in the latest on web news. The Cyber Cafe is also a great place for a birthday party. Youngsters love the on-line games and moms will appreciate the balloons, decorations and birthday cake included in the party fee. The Halhinet Cyber Cafe also caters to the older set...they will host your business meeting with all the resources of the web at your fingertips.

The Halhinet Cyber Cafe is also the home of the popular webcam. See what is going on in the cafe or be a part of the birthday party by visiting the webcam site www.halhinet.on.ca/cafe, and view one of the newest features offered by Halhinet.

Halhinet also offers training programs tailored to the needs of the customer. Many people want to learn how to get the most out of the web. Halhinet staff can design a training program that will address your specific needs with classes offered at their location or in your home or office using your computer.

While most customers turn to Halhinet for straightforward web access. Businesses have more specific needs. Halhinet is the source for customized internet solutions for business, from e-commerce to web site hosting to complex intranets, Halhinet has the answer for your business application.

With all these features and more, doesn't it make sense to trust a local internet service provider for all your needs. More than just a voice at

the end of a long distance phone line, they are here to help you get the most for your internet investment. Call Halhinet manager Pam Manly today for more information on how Halhinet can help you can take advantage of the Internet. Call 705-457-4555 or email sysop@halhinet.on.ca and get the net working for you.

Mike Stephens and Pam Manly of Halhinet invite you to enjoy a cup of coffee while you surf the web or check your email. Tour the world (wide web) during your coffee break at Cyber Cafe in Haliburton.

It's a winner

The Haliburton County Snowmobile Association 1998-99 newsletter, Highland Trail, was named the best club publication in the province. The award was presented at the recent Ontario Federation of Snowmobile Clubs annual meeting. Displaying copies of the winning publication and the award plaque are from the left, HCSA executive member Bob Picard, The Times publisher Jack Brezina, HCSA executives Marj Kennedy, Peter Overington and President Steve Berry. The Highland Trail was published by The Times.

One last look at water levels

The following report was issued by the Trent Severn Waterway staff on October 5

Rains of 60 to 70 mm throughout the Trent River watershed gave a boost to all the lakes. Haliburton area lakes rose 2.5 per cent in the week to reach 46.9 per cent. This was about one per cent higher than the 24 year average for the date.

A surplus was created on the Kawarthas as well, bringing them up to about six per cent higher than normal. Some of this being discharged to get more

near the normal for October.

Otonabee river flow is now up to about 35 m³/S (normal for October is 58 m³/S). There have been many wet autumns.

Lake Simcoe-Couchiching seemed to benefit less from the rains and is still running about three cm lower than its rule curve for this time of year.

This will be the last newsletter for this season. We look forward to a more normal winter water regime than last year, and will begin the reports again next May.

Hats off to top employees

Rotary President John Kerr, left, presented Leanne Gartshore with her Workplace Pride certificate. Her employers, Eleanor and Bob Paton of North Shore Lawn and Garden, were on hand to help mark the special occasion.

The Rotary Club of Minden recently paid tribute to two outstanding employees in the community.

Cindy Trebell of the Westside Jug City Store on Highway 35 and Leanne Gartshore of North Shore Lawn and Garden at the intersection of Highway 35 and North Water Street were presented with 1999 Workplace Pride Award. The presentations were made at a Rotary Club meeting.

The club sponsored the award to recognize the important contribution front-line workers make in ensuring the success of a small business. The award recognized a friendly, helpful attitude, not only to customers but to fellow employees and the business managers. The two recipients had been nominated by their employers who attended when the certificates were presented.

Westside Jug City employee Cindy Trebell, second from the right, was presented with a Workplace Pride certificate by Rotary Club President John Kerr. Business owners Rawn Brown, and Brian Moore, right, helped mark the special occasion for their outstanding employee.

Minden drivers click

-submitted by the Haliburton, Kawartha and Pine Ridge District Health Unit-

Minden drivers are leading the way when it comes to wearing seat belts.

In a province-wide seat belt challenge held last Saturday, volunteers surveyed Minden drivers for two hours to determine how many were wearing seat belts. Of the 367 drivers observed, 96 per cent were wearing their seat belts.

"We are extremely pleased by the results," said Anne-Marie Cyr, a registered nurse with the Haliburton, Kawartha, Pine Ridge District Health Unit and organizer of the local seat belt challenge. "These results clearly indicate area residents understand the importance of wearing seat belts and the difference they make in preventing injury and death in the event of an accident."

Of the four seat belt challenges conducted in the Health Unit's jurisdiction, Minden drivers had the highest percentage of seat belt usage. Results from Campbellford show 75.8 per cent of drivers were wearing seat belts, while 84.8 per cent of drivers in Cobourg and 74 per cent of drivers in Port Hope were recorded wearing seat belts.

Rhyme time at Archie Stouffer

by Jennifer Hicks, Archie Stouffer Press Club

Hickory Dickory Dock. The mouse went up the clock...

There were cows, Humpty Dumpty's and lot and lots of mice in Mrs. Brezina's nursery rhyme wrap up. You guessed it! Hickory Dickory Dock was the favourite rhyme in the class.

Mrs. Brezina's and Mrs. Sisson's Grade One classes enjoyed a month of rhymes. The teachers started to plan this at the beginning of September. Rhymes were chosen as a beginning theme for Grade One students because they are repetitious and known by students. The boys and girls then feel successful with beginning attempts to read.

The children have been working on rhymes for a few weeks in September and part of October. The kids were very enthusiastic towards the rhymes and enjoyed making their very own costumes for the wrap up afternoon. Drama, Art, Reading and Music were the focus throughout. The Grade One boys and girls seemed to enjoy the nursery rhyme unit and had an especially good time during the wrap up afternoon.

by Jennifer Hicks, Archie Stouffer Press Club

The Book Fair Meet n' Greet Loonie Night was a great success. Mrs. Clarke was the one who came up with the idea of Meet n' Greet Loonie Night. The name was decided upon during a staff meeting. The reason for this type of open house was to provide a less formal atmosphere, while still allowing parents and teachers to meet each other.

The book fair was extremely successful. It raised \$1400. Seven hundred has already been spent on new books and there is still seven hundred left to buy more.

The hot dog and popcorn sales were excellent.

Many people had dinner at the school while visiting with those around them

The teachers were very busy with students and parents enjoying a friendly school get together. It took three meetings and three volunteers for initial planning and the whole staff to make the great night happen. Even though it was gloomy outside, inside it was very cheery and welcoming. I'd say it was a great start to a new school year!

HICKORY DICKORY: Some of the grade one students who participated in the rhyme unit over the past month gathered in costume to wrap things up.

by Amanda Davis and Krystal Searles, Archie Stouffer Press Club

On September 30, 1999, Archie Stouffer had yet another great assembly to choose this year's Millennium student council.

The assembly went well. The speeches were wonderful. There was a total of six Grade Eight candidates with two being girls, Brooke Mansfield and Meghan Shaw, and four boys, Matt Allore, Daryl Arbour, Sterling Crowe

and Matt Rolfe. The overall finalists were Meghan Shaw and Daryl Arbour. Hooray for our two new Prime Ministers.

Student council has been around for a number of years at ASES. We started this program to give students a chance to plan activities for the school. Their goals are to promote a high standard of student achievement, to arouse school spirit, to promote a sense of responsibility among the student body and to cooperate with teachers in the planning of extra curricular activities. The qualities of a good Prime Minister are to have a history of school involvement, maintain a high standard of academic effort, exhibit a lot of school spirit, demonstrate responsibility and maturity, act in a courteous and polite manner to teachers and fellow students, and show leadership ability. We are sure that our new Prime Ministers for Archie Stouffer Elementary School will serve us well.

Truck stolen in Wilberforce

(from page 13)

motor vehicle from the Maplevue Apartments parking lot, October 2 in Wilberforce.

The investigation revealed that a 1995 Dodge Caravan, dark blue in colour, had been stolen sometime throughout the night.

Another car parked in the same lot had damage to both doors, as well the alarm had been set off. Entry had not been gained to this vehicle.

A 1998 Dodge Ram pickup, parked at another residence in Wilberforce, was found damaged. The door had been opened and the ignition had been smashed, however, the vehicle had not been stolen.

Anyone with information involving these inci-

dents is asked to call Haliburton Highlands OPP at 705-286-1431.

Drug charges in Monmouth Township

On October 3, OPP investigated a two vehicle collision on Hadlington Road in Monmouth Township.

Further to the investigation, one of the drivers, Leigh Woods, 26, of Monmouth, was arrested and charged with, possession of a controlled substance (cannabis), careless driving and driving while under suspension. Woods will appear in Minden court on December 1. Medical attention was not required as a result of the accident.

Crystal Lake landfill site houses hazardous waste depot

-submitted-

County of Peterborough residents will now be able to collect old paints, stains, cleaners, motor oil, batteries, and other chemicals from their homes and bring them to the new depots for free and environmentally safe disposal.

Household Hazardous Waste (HHW) that is not safely disposed of can threaten our health and natural environment by contaminating the soil, air and water.

These new depots will make it easier for residents to help protect the environment and divert waste from landfill.

On September 22, one depot will open at the Buckhorn Landfill, and on September 25, another depot will open at the Crystal Lake Landfill. Both depots will be open from the weekend after Victoria Day in May to the weekend after Thanksgiving in October.

Please note that these HHW depots will be closing for the season the weekend after Thanksgiving and will reopen the weekend after Victoria Day. The City/County HHW Facility, (beside Scott's Plains in Peterborough) will continue to serve all County residents year-round.

For more information on the new HHW depots, contact County of Peterborough Environmental Services (705) 743-0380 or 1-800-710-9586.

Birthdays celebrated at weekly tea

We've had some good times over the last few days. Our birthday tea last Thursday, September 30th was much enjoyed with the Kinmount Catholic Ladies hosting. We thank them for coming and spending time with us. The following morning Jack and Ruth were here once again for their weekly visit. We always enjoy their music. Later on quite a few residents travelled to the Minden arena for the open house that was hosted by the Minden Council to celebrate the year of the older person. Those who went reported that they enjoyed the occasion and found their host very gracious and hospitable.

We had a full house on Saturday. Laura Upton's family was here to host an open house to celebrate Laura's upcoming 90th birthday. What a crowd! It was just wonderful to see so many relatives and friends dropping by and what a feast the family served up. All in all a great gathering.

Also on Saturday, Bessie Burke attended the wedding of her great grandson. Bessie reported that she had a wonderful time and those who saw her all decked out said she looked like a million bucks. It's always fun to get dressed up for a special event such as this and we're glad Bessie enjoyed the occasion. Quite a few of us joined Reverend Everall for the Sunday Chapel Service and Communion.

Our week began with the Salvation Army paying us a visit on Monday afternoon. Reverend Everall was here again on Tuesday morning for Chapel: many residents joined in a memorial for Ira Carter who passed away recently. Wanda Carter (Ira's wife) was also in attendance and afterwards asked those present to share a cake to celebrate Ira's life. Ira and Wanda would have celebrated 50 years of marriage very soon. It was a very special sharing experience and touched many of us deeply. Later that day the men's club gathered once again and enjoyed their chat.

Our Pub Night was lots of fun. The Norland Hillbillies were here and later we enjoyed some homemade bread. We also welcomed a new volunteer

Kim Bagshaw. Glad to have you with us Kim.

Now it's Thursday again and Linda and Edna Scott are busy making a batch of crispy oatmeal cookies. Hope they come out of the oven before we finish up our session. Vivian Austin, Edith Russell, Lucille Clarke and Hazel Clark are helping out by folding napkins for our tea party today. Speaking of tea party, we are expecting the Ladies Auxiliary of the Minden Legion to host today's tea party. We look forward to having them join us.

Just before we sign off we have some messages to send.

- We have heard that Bob Muirhead is ill. We send our get-well wishes to you Bob. Get well soon, we miss you!

- Also we are glad to see Nellie Ransom back with us following her recent surgery. She is up and around and joined us in reporting today. She was missed at last week's meeting.

- A big, big thank you goes out to Katherine and John Beeman who so kindly donated lap quilts for our residents here. It was very thoughtful of you. Please accept our apologies if we have not spelled your names correctly.

- We extend a warm welcome to our newest resident Glenn Austin. Glad to have you with us.

When you visit our home again check the notice board by the front entrance, you will see many wonderful photos taken at our volunteer appreciation night. Also on the notice board by our dining room are photos that were taken this summer at the home of Rick Edwards. These were taken when a group of residents joined Rick in a visit to his home. It is lovely to have these mementos.

We are hoping that our moving sale is successful this weekend. We will have to tell you all about it next week.

Better sign off for now, it seems we have run out of news. Hope everyone enjoyed their Thanksgiving weekend.

Around the County Town

by Nora Snyder (call 286-4450)

I hope everyone had a wonderful Thanksgiving weekend. I am writing before the event so it is hard to know if the weather warmed from the days we are in now. So cold!! What is coming is certainly looming on the horizon!! I saw snowflakes this morning!! The 'getting ready for winter work' is beginning. I really am having trouble adjusting to the fact that summer is over. I had a call from a friend in Guelph last week and she said she is feeling the same way. It all feels very confusing as she writes the date which is now October instead of July which it still feels like to her. Everything is speeded up. People who are going down to the big cities are coming back reporting chaos on the roads and chaos in the air. Time to take deep breaths and calm down!!

Kinmount UCW is holding its Harvest Feast Buffet at the Kinmount Legion Hall on October 16 from 4:30 to 7:00 p.m. Adult tickets are \$10.; children, 12 and under \$4.; preschool, free. Another chance at a wonderful fall feast!! There should be room by then after the feasting the week before!!

Thanks to the man who donated bunches of cauliflower to the Food Bank. He phoned Judith McKay at the Clothing Depot to say they were being dropped off in the Depot Boxes but when Judith got there, the cauliflowers were gone!! Sometimes the thought has to be enough!! Of course this is one of the times of year when we are more aware of those who struggle to clothe the family and put food on the table. Hopefully many of us will reach deep into our pockets and/or find a little more energy to help in our community.

Thanksgiving Blessings!!

SCORING NEWS

The Friendship Club at St. Paul's, on Monday, October 4, had a good afternoon of Euchre. Isabel Cherwenka

won lone hands. Pat Millard was high woman and Esther Lee was high 'man'. Pearl Cowen found the hidden score. Low woman was Helen Lee and Glen Houghton (a real man!) was low man. Jesse Barlow won the 50/50 draw.

The Stanhope Bridge Group played their last game at the Firehall for the summer season. The group, this week, moves over to its winter home at the Library at the same time of 1 p.m. on Tuesday afternoons. Last week there were no slams. In fourth place was Muriel McIntosh with 4280. Vange Croucher was third with 4530, Betty Culley was second with 4940 and in first was Ray Moore with 5880. It was also decided by the group that they would retire the prestigious E.I.F. Award for the winter after which time, it will be brought out of retirement to again bestow its honours on the lucky recipients. It must be noted that the first winner of the award was also the last winner this year in the person of Len McNeice.

September 30, at the Home Support office, playing Duplicate Bridge, in North/South, there was a tie for first. Mayme Douglas with Vera Carnochan and Marjorie Peel with Mike Collins both finished with 54%. Wynne and Morris Hansen were third with 53.5%. In East/West, Muriel McIntosh and Ross Fletcher were first with 61%; Tom Hunter and Carol McCord, second with 56%; third, Judy Neimann and Maria Lehoczky with 52%.

At Echo Hills last Monday evening, playing Duplicate Bridge, Mike Collins and Nick Lehoczky were first with 62% and Carol McCord and Reet Murray were second with 59%.

October 6 at Parklane, playing Duplicate Bridge, in North/South, Nick and Maria Lehoczky were first with 66%. Jack Cox and Ross Davies came

in second with 58%. In East/West Vera Carnochan and Mayme Douglas were first with 58% and Kelly and Jacqueline Metcalf were second with 52%.

Cribbage at the Minden Legion last Monday, October 4, Kim McCabe and Ann Baker were the top scorers. Jean Scadden, Ann Baker and Esther Lee won the draws.

Also at the Legion, on Tuesday afternoon, October 5, the Seniors were there as usual playing Bid Euchre. Jean Scadden, Iris Taylor, Pat Roussel and Dorothy McElwain were the top scorers. Three people found the hidden score in the names of Ruth Kellett, Helen Lee and Ed Gazensky. Shirley Elcome, Esther Lee and Iris Taylor each won a moonshot.

Back in September, on the 30th, also at the Minden Legion, playing Euchre, Pat Roussel and Gala Stamp won most lone hands. Rob Evans and Murray MacKinnon were the high scorers and Sharon Evans and Harvey Bunker were the lows. Al Cooper, Vicki Campagnolo and Anne MacCreig won the other prizes.

Tuesday, October 4 in the evening at Club 35, playing Euchre, Betty Mathews won the 50/50 draw. Tom Pearson won lone hands. Jean Dutka was high woman and Bud Pipher was high man, Hazel Gregory and her son

Fred Gregory filled in the low spots. Mary Pearson took home the Baloney.

October 1 at Club 35, it was Bid Euchre night. Rumor has it this week might be the last one for the season but that is not official yet. Folks want to keep it going as long as possible so who knows what will happen? Last week Jean Dutka, Garth Windsor, Rob Evans and Olive Jones won the Moonshots. The High Pinks were Helen Lee with 278, Dorothy Walters, 241 and Edith Burch and Jeanne Penick, tied with 239. The High Whites were Garth Windsor, 281, Frank Campagnolo, 277 and Bill Mathews with 255. Marg Fletcher found the hidden score.

Over at Lochlin on Tuesday, October 5, they held their bi-weekly evening of Euchre. Audrey Vick was the high woman and Joyce Schellenberg was 'men's' high. Betty Curry and George Bartley took the low scores. Gerald Hicks won lone hands and Don Hicks won the 50/50 draw.

Stanhope Bid Euchre on Wednesday, October 6, in the firehall. Six moonshots were won that night. The top five scorers were: Norm Lee, 293; Gala Stamp, 296; Helen Lee, 297; Mary Pearson, 298; Marj Hamilton, on the top with 302.

Wishing everyone a good week of cards!! See you all here next time!!

TOO GOOD TO BE TRUE?

You can achieve financial independence from a home, using the phone, with help from international professionals, to earn \$6,000.00 to \$30,000.00 per month and to legally reduce tax liabilities. This is NOT multilevel marketing or anything similar. If you are skeptical, that's o.k., but don't let that stop you getting all the information about our international organization. CARDS OF THANKS

The family of the late Doris McNamara wish to thank everyone for the floral tributes, memorial donations, food, cards and expressions of sympathy. Special thank you to the ambulance crew, Kinmount Firehall, Minden Hospital, Gordon A. Monk Funeral Home, members of the Royal Canadian Legion Branch 441 and the Ladies Auxilliary and Legion Padre Dan Millard. **Joe McNamara, Pat Andreassen, Cathy King and families.**

Dear hearts and gentle people, I would like to thank each and every one of you; friends, neighbours and relations for all the cards, phone calls, flowers, food and for your helpfulness, kindness and caring during my stay in the hospital and later at home. I'd also like to thank the ambulance drivers, the doctors and nurses at Minden and Sunnybrook Hospitals, plus the VON and Homecare for all their kindness and caring. A very special thank you to my great family; Jim, Jeunne, Lynda, John and my husband Clarke and our neighbours Greg, Vicky and girls for all their help. There are no words that can express my gratitude and appreciation. May God bless each and every one of you.

Glenda Simpson

Thank you to every neighbour, relative and friend who gave so generously in my recent sad bereavement of my husband Ira, for the floral tributes, donations, cards and food. A special thanks to Rev. Peter Walford-Davis who gave a comforting message at the service and also to the organist Catherine Kellett and the choir and the lovely lunch served by the church ladies. Thank you to Barry Cray and Kirsten Monk and staff of the Gordon A. Monk Funeral Home for their compassionate care and service. Thanks also to Dr. Wu, Hyland Crest Senior's Citizen Home staff and volunteers for their care during Ira's stay there. To Father Everall for his kind message at Ira's memorial service at the H.C.S.H. **Wanda**

IN MEMORIAM

CREGO, JOSEPH

In loving memory of a dear father/poppa who passed away October 11, 1995.

*In our hearts he is fondly remembered,
Not just today but everyday.
He is forever in our hearts.
Forever loved by Ward, Liz, Mallory, Tyler and Kelsey.*

CREGO, JOE

who passed away October 11, 1995.

*As time unfolds another year,
Memories keep you ever near.
Silent thoughts of times together,
Hold memories that will last forever.*

Always loved and remembered by Dot and family.

AT REST

BOYCE, Ivy

(formerly of Norland, Ontario)

At Victoria Manor Nursing Home in Lindsay on Thursday October 7, 1999, in her 92nd year. Beloved wife of the late Clarence Boyce (1973). Loving mother of Ronald (Frieda) of Norland, Terry (Carolle) of Dunsford, Faye (Mrs. Daniel Sadeen) of Willowdale and Dale Urekar of Toronto. Lovingly remembered by fourteen grandchildren and sixteen great-grandchildren, and six great-great-grandchildren. Dear sister of Hilda Chynoweth and Peggy Saunders both of Norland. IN MEMORIAM

JOHNSTON, MYLES

In loving memory of a dear son and brother who was taken from us October 11, 1968.

*Our hearts are full of memories,
We cherish them with care,
The way you had to leave us,
Will always seem unfair.
Our darling, one thing we have to tell you,
Of which there is no doubt,
Your so wonderful Myles to remember,
But heart breaking to live without.*

Loved and deeply missed by mom, brother and sister.

GOLDIE & BLANCHE (NESBITT) PHILLIPS

October 16, 1993.

God broke our heart to prove to us,

*He only takes the best,
We miss your smiling faces,
The thing we used to do,
But most of all we miss you.
The hugs and the love and care,
One day we will all see,
Over on the shore,
Where no pain for ever more.
Your ever-loving family,
Jerry, Pat, Danny, David, Don,
Doug, Donnie, Rosie, Glen, great grand children and grand children.*
